HAYDEN LAKE IRRIGATION DISTRICT

NOTICE OF INVOICE CHANGE

Recently, the District's automatic letter/paper folder and envelope stuffer took a turn for the worse and replacement was crucial. To keep costs down, Hayden Lake Irrigation District took the opportunity to go green and save the District money. Starting with the 2018 4th Quarterly Invoice, the District has switched to postcard billing. The postcards are blue in color and should arrive in our members mailboxes between January 4th and January 7th, 2019.

Here is an example of what you should expect to find in your mailbox:

The District is hopeful the new billing method will be less confusing to read and understand. It was cost effective and beneficial to the District's budget.
