Notice

Mandatory Odd/Even Water Schedule Restrictions Lifted

The mandatory odd/even water schedule restrictions have been lifted. Hayden Lake Irrigation District is passed the peak season and customers may water as they wish. The District would still recommend an every other day schedule to avoid incurring excess water charges but it is not required. The District would remind customers overages most often incurred in the third quarter. Please be aware if you water excessively, you may incur excess water charges.

Thank you,
Hayden Lake Irrigation District
